Please fill out your entry form and return along with the £55 entry fee as soon as possible to secure your guaranteed place. This money will be paid by us to the Great North Run company to secure your place. This can be paid as cash, cheque or via bank transfer. Please contact us for bank account details.

To keep costs down we try to post out as little as possible. If you would like to make an extra contribution to cover the cost of posting out your t-shirt you can include an extra donation of £3 with your entry fee.

Fundraising

Money raised from runners' sponsorship in the Great North Run goes to support the health and wellbeing of children across the North East and Cumbria. That's why it's so important for all runners to raise the minimum £200 sponsorship. Please let us know how you are planning on raising your £200 and you could make it onto our Website and Social Media.

**Please return the completed form, payment and signed Fundraising Contract to The Children's Foundation,

Thank for joining our GNR 2018

Team! Your fundraising will make a huge difference to children across our region!

Please read the terms and conditions of the Fundraising Contract very carefully.

To guarantee your place in GNR 2018, you must read and fully understand these terms & conditions.

1. Once we receive this form your space will be reserved with us and you will receive a runner's pack from The Children's Foundation and you will be issued with your official GNR token by email. **To guarantee your entry to the run it is your responsibility to register yourself online before the 2nd July 2018.**

2. Minimum Sponsorship

All runners must raise a minimum of £200, **the minimum sponsorship excludes gift aid** and by signing this Fundraising Contract you are agreeing to this. If you do not do the event for any reason, you are encouraged to raise £200 through alternative fundraising methods. If you are unable to raise the full £200, you are personally liable for any outstanding amount.

The money raised through GNR enables us to continue our work to make a difference to the health of children in the North East – any shortfall obviously reduces the amount of money we have to support our projects. We will contact you regularly by phone and email to check on how your fundraising is going and give you more tips if needed.

3. Sponsorship Deadline

Please **send all money raised to us by 30th October 2018 at the very latest** if you haven't managed to raise it through Virgin Money Giving.

4. If raising funds online please use our preferred online fundraising platform - Virgin Money Giving. A page will be set up for you on your behalf by The Children's Foundation and sent through to you via email. This simplifies the process for you and The Children's Foundation.

5. Illness or Injury

Any cancellations after 18th June 2017, which are due to illness or injury, are eligible to enter the Deferral System. However any cancellations will still be personally liable to pay £100 sponsorship by 30th October 2018. You are also liable for the remaining £100 after the 2018 run regardless of whether you take part in it or not.

In order for a runner to use the deferral system you must inform The Children's Foundation that you are deferring your place but you must also follow the instructions from The Great Run Company in your Great North Run pack and do this before the run takes place. Failure to do this will result in you being liable to cover your minimum sponsorship amount. You must also repay the entry fee to The Great Run Company when redeeming your place the following year.

6. The Children's Foundation cannot accept responsibility for any accidents that may occur during training and running on the day.

7. On the day please ensure you complete the back of your runner's number with your name and contact details in case of an emergency.

8. Under no circumstances can a place in your name be given to someone else to run, due to The Great Run Company's restrictions of the Great North Run places.

I have read and fully understand the terms and conditions above and by signing this form I am agreeing to the terms set out by The Children's Foundation.
